

1. Glue or Tape circles onto the toilet paper roll

2. Continue until the entire toilet paper roll is covered

3. Add googly eyes to each side

4. Tape or Glue strips of paper into the bottom of the Koinobori

5. Tie a string around your dowel so that two pieces hang

6. Tape or glue the two hanging strings into the inside of the koinobori

7. Hang your Koinobori Kite and watch the wind blow through it!

Mini Koinobori Kites (Japan) Visual Instruction Guide

To make your Koinobori Kites, you will need: a toilet paper roll, glue or tape, paper circles, paper strips, googly eyes, string, a wooden dowel
